

Human Error in Maintenance and Aviation Grease - What Every User Needs to Know!

Human error in aviation maintenance is commonly found to be one of the top three causes of aviation accidents. Almost 12% of all accidents involve a maintenance factor! Attend this informative briefing featuring Human Error in Aviation Maintenance - Powerpoint Presentation - 80 minutes and Aeroshell's Aviation Grease - Video Presentation - 30 minutes. AMT Award Credit and IA Renewal Credit (2 hours)

Directions: Event will be in the NC-DOT Conference Room.
